

# BRIGADE Mid Bay

## Installed At Jodhpur Railway Station

Goldwyn's BRIGADE is designed as an ideal Mid Bay light with diverse applications in industry, warehouses, shelters, airports and stations.

In 2013 Goldwyn won the prestigious contract to provide lights for the platforms at Jodhpur Railway Station. After analyzing the stringent requirement we proposed and installed our BRIGADE lights which proved to be the right choice. On completion of 3 years of installation, we take pride that not a single complaint of defect has been received from the reputed customer.

We will be delighted to study your requirements for Mid Bay lights in demanding environments. Our solution of BRIGADE lights will delight you, whether your needs are for industry, warehouses, airports or railway and metro stations.

### Electrical & Photometry

Input Voltage	150V~260VAC
Frequency	56/60 Hz
Power Factor @239 VAC	>0.9
Colour Temperatures	3000K / 4000K / 5000K
Colour Rendering Index	>70
Lumen Efficacy	>75 Lumens per watt
Operating Temperature	-20 C to 50 C
Ingress Protection	IP65
Life Span	50,000 Hours
Safety Standard	EN60598
EMC/EMI Standard	EN61547 / EN55015
Harmonics	EN61000-3-2 and 61000-3-3

### FEATURES

- Suspended or Wall mounting.
- Extruded aluminium powder coated housing in any colour.
- Prismatic or Opal polycarbonate diffuser.
- Available in running length from 300 mm to 1800 mm.
- Inbuilt Electronic Driver.
